

MEXICO, HERE WE COME!

Top Story

We are less than one month away from our 2022 Mexico Mission Trip to build a home for Familia Herrera Del Angel. The slab for the house has been poured. The building plans are complete and the windows have been ordered! We're almost all set and very excited!

Thank you for your on-going support to provide the family the home they have been waiting for!

2022 Home Building Plans

We will be traveling and building during 2022 Easter break; leaving from St. Agnes (Concord) on Saturday, April 16 and returning on Friday, April 22. We currently have 20 adults participating in this mission. As a reminder, this is a short – term adjustment. We are hopeful that we will return to our full contingent of high school youth and adults capable of building 2-3 homes in 2023.

Thank you to everyone who has already donated! We have raised approximately \$20K towards our goal of \$25K.

LMMYM Alumni (2019)

Bruno Argenal is attending college and playing football in Pennsylvania. Last summer he started **Kaps 4 Kiddos** as a way to help the homeless in East Contra Costa and, in the future, throughout the Bay Area.

Bruno started **Kaps 4 Kiddos** in honor of his grandfather, who passed away in September 2020. He remembers his grandfather as a baseball player first, as well as a businessman and mentor.

Bruno decided the way to honor his grandfather best was to collect baseball caps.

"His legacy and care for others live on in our hearts and in this project."

We want to hear from you!

Please share what you have been up to (a photo too), and we will share in the next newsletter.
